12th April 1909

Dear Mr Anandakas

As you are aware the Indian Institute of Science is at present managed by a Provisional Committee, which will very shortly be replaced by the regular constitution consisting of the Council and the Court of Visitors

Mr V P Madhavarao as Dewan of Mysore was appointed by the Govt of India a member of the Provisional Committee to represent the Govt of Mysore and

and, in the ordinary course, you as his successor in the Dewanship, would replace Rs. Madhavarao in the Provisional Committee, but since the announcement of the regular constitution is expected daily, and the Provisional Committee will not meet again, it appears sufficient if I request the Govt. of India to include your name on the Council.

If the idea commends itself to His Highness, I should like to suggest at the same time that Rs V P Madhavarao be appointed a member of the Standing Committee of the Court of Visitors, a body which will receive reports on the matters connected with the Institute and will set to consider changes of policy

or

or innovations suggested by the Council In my opinion Mr Madhava Rao states as an Ex-Dewan and has keen personal interest in the Institute would render him a very suitable person to represent the Durbar on the Court of Visitors

Yours Sincerely
Sd) S M Fraser

(Draft to the Resident)

(My dear Sir)

I beg to acknowledge the receipt of your D O C No 70 dated the 12th April 1909 suggesting that Mr V P Madhava Rao may be appointed a member of the Standing Committee of the Court of Visitors of the Indian Institute of Science

2 — It is understood that the members of the Standing Committee are nominated from among the members of the Court, which includes only two representatives of the Mysore Government, one of whom namely the Dewan of Mysore holds his seat by virtue of his office. The other place is for the present filled by Mr Hayavadana Rao, Inspector General of Education in Mysore. It is desirable that the chief Educational Officer of the State by reason of his being in touch with educational work and systems

Vide p 10 (para 35) of the printed Correspondence Mr Graves' letter No 1207 (Secret) dated 20-8-07 para 9 of note A

† Despatch No 105 dated 6th August 1908 from Mysore Govt para 232 of Govt

systems both here and elsewhere should always be one of the two Ulstermen members of the Court of Visitors

3 — In these circumstances, His Highness, while considering that Mr Gladstone's appointment to the Standing Committee would on personal grounds be an unexceptionable one fears that it would not be possible to appoint him as ~~one of the two~~ a representative of His Highness' Government on the Court of Visitors or as the representative on the Standing Committee of such Court

Submitted to His Highness

I submit for His Highness' perusal and orders the Hon'ble Mr Fraser's D O of the 12th instant suggesting that Mr V P Madhava Rao C I E, be appointed as a Member of the Standing Committee of the Court of Visitors of the Indian Institute of Science and my proposed reply to the Resident

20/4/09

Camp Ootacamund
23rd May 1909

My dear Campbell

In your D O letter of 10 instant you informed me that His Highness wished to have my further views as to the choice of Mysore representatives on the Council and the Court of Visitors of the Indian Institute of Science I have again discussed the question with Mr Travers and the Dewan and am of the following opinion Under the Scheme for the administration of the Institute (Schedule H in the Volume which I send herewith for reference and return) the Mysore State will have three representatives two on the Court and one on the Council These three appointments

2 10

appointments should be allotted,
I think, as follows —

On the Court
Sir Madhava Rao (on the Standing Committee)
The Inspector General of Education
On the Council
The Dewan

No difficulty is created by Sir Bhabha's original nomination by the Durbar as their representative on the Court, since he was subsequently nominated by Sir R J Tata as his representative on the Council and in any case it may be assumed that his appointment on the Court was intended to lapse with the resignation of his office as Inspector General of Education under the Durbar

And now to give reasons for the above recommendations The Council is the really important governing body of the Institute, and in view of the preponderating interest of the Durbar who have

to

to see that they obtain a substantial return for the State for their liberal support of the Institute; it seems to me necessary that the Supreme Govt should be represented on the Council by the Dewan himself at the present state when important questions will be under consideration determining the future scope and policy of the Indian Institute of Science Sir Aranda Rao has expressed the wish that the Inspector General of Education "with his first hand acquaintance with educational matters" should be a member of the Council and this can be managed, I anticipate, by getting him appointed thereto as one of the three nominees of the Court of Visitors

Visitors (Para 10 - Seventhly - of Schedule H) To this, I understand, Mr. Anandarao agrees the remaining place — that on the Council (with a seat on the Executive Committee) might appropriately be offered to Mr Madhavarao, if His Highness agrees with the reasons which I have already advanced on this point.

On hearing from you how the matter is decided, I will inform the Govt of India of the names which have to be gazetted

Yours Sincerely
Sd) S M Fraser
